Risk Warning: Past performance is no guide to future performance. The value of holdings may fall as well as rise. All financial investments involve an element of risk. The level of income from the investment may fluctuate in value. Currency movements may also affect the value of the investment. If the currency in which the past performance is displayed differs from the currency of the country in which you reside, then you should be aware that due to exchange rate fluctuations the performance shown may increase or decrease if converted into your local currency. The Fund may invest assets in Emerging Market Countries. The risks involved in investments in Emerging Market Countries are likely to exceed the risks of investment in more mature markets.
